

FOGLIE D'ORO

Ca' Savio è un pavimento modulare intarsiato a mano, disponibile con inserti in marmo e metallo. Nel pattern della variante Azalea l'utilizzo di inserti in metallo illumina la superficie. Nella foto, noce Americano, profilo in ottone e inserti in marmo.

CREATIVE PARQUET FLOORING

A choice that celebrates the tradition of an exquisite material yet represents an innovative flooring solution. Wood, synonymous with warmth and comfort, is an option that is able to personalise modern spaces through textures that enhance its materiality. While making use of traditional artisan craftsmanship of years gone by, modern production techniques propel this material into the most current interior design context.
